ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 8 June 1976

1. (Internal Use Only - PLC) LEGISLATION Received a call from Jim Oliver, OMB, inquiring as to the status of H. R. 13615, amending the CIA Retirement Act. Jim Fellenbaum, staff of the Senate Appropriations Committee, had called him advising that the Committee will include the [] figure for fiscal year 1977 []

[] Fellenbaum requested that Oliver prepare the statutory language for the appropriation for inclusion in the Defense Appropriations bill and a short explanation of the bill for inclusion in the Committee report. Oliver told Fellenbaum that he would refer the request to me and that I would be contacting Fellenbaum. Oliver also asked if Treasury had approved the [] figure and asked for the projected figures to 1981. I told him I would check and call him back.

2. (Internal Use Only - PLC) LIAISON Called Joe Durant, Chief, Programs, Planning and Management, Bureau of Personnel Investigations, Civil Service, and discussed the Agency's need for a clear exemption from the proposed revision of Executive Order 10450, being prepared by Defense for the White House Commission on Privacy. Durant explained that the Defense people have pretty much gone their own way in this effort and have personally excluded CIA and other affected agencies from their deliberations. The CSC has problems with the revision and recognizes that the Agency requires a clear exemption from any outside authority over its personnel program. Durant suggested that an Agency letter be sent to Deputy Assistant Secretary of Defense D. O. Cooke, setting forth the Agency's position and the need for a clear exemption. OGC was advised.
